J-1 Scholar Extension Request Form

Name of J1 visitor _____

The new appointment end date that we are requesting is (date): _____

The position title is: _____ Project Leader: _____

Note: The J-1 program duration for professors and researchers is limited to a maximum of 3 years. Under certain conditions, BTI may grant an additional six month extension. According to Department of State regulations, this extension may ONLY be granted if necessary for the professor or researcher to complete the program. If it is **clear** that the professor or researcher will be continuing at BTI BEYOND the discretionary six months, an extension will **not** be granted. In these cases, the project leader should be prepared to file H1B (temporary worker) petitions. Please consult with Human Resources regarding timing and procedures.
